246L is an Elite dam.

GEIS 246L - Dam of GEIS 162R

# Open Heifers

We feel we have selected a lot of excellent heifers from some of the top cows in our herd. If you check out the elite cow page you will see a lot of these heifers are descendants from some of these elite dams. The only other place we sell females is in the Hayshaker Sale, so the selection has not been already skimmed by any selection committee. Take a close look there is a lot of quality in this group.
